Career Objective

Aspiring for challenging assignments in the field of development, seeking high career growth through the continuous learning process, and aiming to be a valuable asset to the organization.

Skills

- **Programming Languages:** C, C++, Javascript, Typescript
- **Front-end:** HTML, CSS
- **Back-end:** SQL, Node JS
- **Frameworks and Libraries:** React JS, Next JS, Next UI, Tailwind CSS
- **Version Control System:** Git

Education

- **BTech in CSE**
Maharashtra Institute of Technology, MIT-WPU
CGPA: 9.3 (Pursuing)
- **Diploma in Computer Engineering**
MAEER's MIT Polytechnic, MSBTE
Percentage: 90.74% (2022)
- **10th Standard**
P.V.G's Muktangan English Medium School, SSC
Percentage: 84.20% (2019)

Projects

Path Finding Algorithms Visualizer (Web Development, Data Structures and Algorithms)

- **Role:** Creation of a dynamic website that demonstrates the working of famous path-finding algorithms.
- **Project Demo:** <https://path-visualizer-madhura-borkar.netlify.app/>
- **Description:** Created a dynamic website using Javascript, HTML, and CSS, React showcasing the functionality of renowned path-finding algorithms, including A-Star, Dijkstra's Algorithm, Breadth-First Search, and Depth-First Search. It demonstrates the intricate workings of these algorithms, providing an engaging educational experience.

File Compressor using Huffman Encoding (Python, Data Structures, and Algorithms)

- **Role:** Creation of a file compressor using Huffman Encoding Technique.

- **Description:** Developed a high-performance File Compressor utilizing Huffman Encoding Technique. This real-time compressor significantly reduces file size. The project aims to contribute to space-saving initiatives and streamline data storage processes.

ERP (Enterprise Resource Planning) for the College Management System (Web Development)

- **Role:** Development of the REST API's using JavaScript and Thunder-Client
- **Description:** Developing and implementing ERP systems tailored for educational institutions to streamline administrative processes and enhance operational efficiency. Creation of back-end and REST API's to initiate data transactions between client and server efficiently and securely.

Portfolio Website

- **Role:** Created a portfolio website for myself.
- **Website Link:** <http://madhura-borkar.vercel.app/>
- **Description:** Developed a portfolio website using Next JS, React, Typescript, Tailwindcss.

Work Experience

- **Bugsmirror Research Private Limited: (Technical Internship : 6 months)**
- **Role:** Member of Technical Staff Intern.
- **Description:** As a Member of Technical Staff Intern, me, with my team, have designed and developed the company's official website. I worked with modern web technologies like Next.js, React, TypeScript, Tailwind CSS, to ensure a seamless user experience and responsive design.
- **Valethi Technologies LLP: (Non Technical)**
- **Description:** During my internship as a Customer Support Intern, my primary responsibility was to address and resolve customer issues and queries via email communication. I ensured timely and effective responses, aiming to provide a positive customer experience and improve customer retention. Throughout this role, I developed key skills in professional communication, customer interaction, and customer retention strategies, which enabled me to handle various customer concerns with empathy and efficiency.

Certifications

- **CPP Programming - CodeChef:** Completed a hands-on programming course in C++ that focused on core fundamentals and logic building.

Achievements

- **CodeChef:** Two Star Coder at CodeChef with highest rating 1436.
Problems Solved: 260+
Languages Used: C++
- **GeeksForGeeks:** Coding Score 870+
Problems solved: 270+
Languages Used: C++

Personal Details

- **Address:** Pune, Maharashtra
- **Date of Birth:** 22/07/2003
- **Gender:** Female
- **Marital Status:** Single
- **Languages Known:**
 - **English :** Fluent
 - **Marathi, Hindi:** Fluent (Native Language)
 - **German:** Basic – Studied as a subject in school, participated in an interschool German song competition conducted by the Goethe-Institut

Declaration

I hereby declare that the information in the resume is true and complete to the best of my knowledge and belief.
